

CONTAINER OPTIMIZATION SOLUTION

We are Smartlog, a pioneer in Logistics revolution in Viet Nam, especially in proposing container optimization solution by e-cloud technology

Our Container Optimization Services

MT - REUSE CONTAINER

MT - MOVE CONTAINER

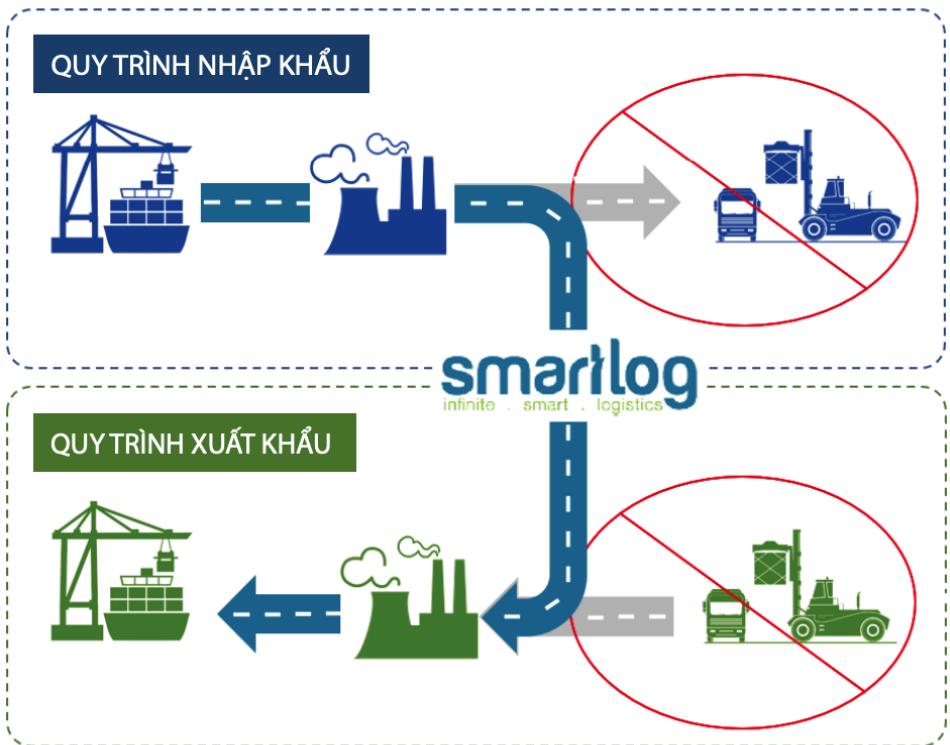

OUR PARTNER

CMA CGM Group, one of the world's leading container shipping companies, present in more than 160 countries.

REUSE Service

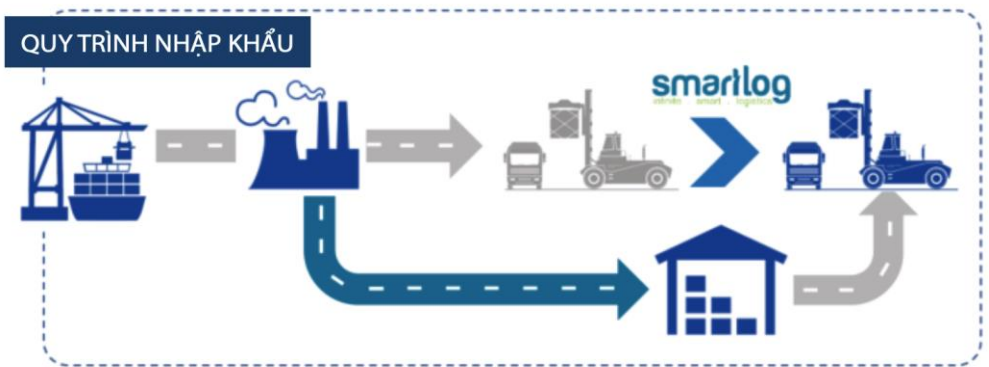

RE-USE by Smartlog-reducing empty runs and lift-on / lift-off
by linking import flows with export needs.

For Customers: Savings on Lift-On / Lift-Off, trucking fees
and time.

MT-MOVE by Smartlog-extra empty usage by changing empty drop-off location

For Customers: Extra transportation with Empty before drop-off

Three Simple Steps:

COS SERVICES PRICE LIST
